Subject: I think we are cousins!

Hello Joe!

I have just begun to research my family tree
I googled DeVillier and I found your site

Our Family History
Ancestors, Descendants and Extended Family of Joseph Wayne Peery

Wow! Such a lot of time and effort!

I am impressed! Confused but definitely impressed!
I can't even figure out the connection but I am sure we are cousins!
(I have a small computer screen and bad eyesight!)

I have only just started toying with the idea of applying for membership in DAR.
I believe my family qualifies through my father's side (Wilkins/Harrison)
and it's possible we qualify through my mother's ancestry, too (DeVillier)

I do not know the application process.

I just learned that there is a local DAR chapter here in Temecula, CA, where I live with my children.

My mother is Gloria Jean DeVillier

Is Mom a descendant of Pierre Nezat?

Her father (my grandfather) was Regis DeVillier
His father was Gabriel Clay DeVillier
Gabriel Clay DeVillier was the son of Hebrard DeVillier & Marie Elvina Dejean

May I credit you as a source?

Thank you in advance for your help!
