Hi Joe,

I am Sheryl Nezat in which Numas Luc Nezat, Sr. is my Great Grandfather and Numa Luke 'Junior' is my Grandfather. I found this website this evening and I am thoroughly enjoying it. Seeing all the pictures reminds me of the memories of Aunt Blackie, Aunt Francis, Aunt Betty, and Uncle Charles. I don't remember a whole lot with Aunt Ethel, Aunt Viola, or Uncle Lawrence. I have a few memories of Aunt Olamp, though not from the family reunion. I distinctly remember her visiting grandmother and granddaddy in Pensacola when I was young (with Betty and Charles) and she was the only other person I ever saw sit in granddaddy's chair while he was alive and not have to get right back up. She also had to watch 'wrasslin' - I had never seen the TV on at the grandparents house before this day. She was such a hoot. Sorry, I was rambling..... When looking at the descendants of Pierre Nezat via the charts button that there needs to be some corrections and additions made to my immediate family.

I have attached the corrections that need to be made in a word document. If you have any questions about this, please let me know.
