“ *A blast from the “way back past” when everyone was younger and things (in general) were done much differently than today. Friends gathering over trapping (followed by eating!) crawfish was a common occurrence.....and this was a memorable, jackpot of a day! From left to right: Paul, myself, Charles Thompson & Buddy Cox (circa 1980).... Just one of the many non-work memories; you’ll be greatly missed Paul.....the friendship lives on with those of us lucky enough to know you.*
