### ALPHABETICAL LISTING

Transcribed by: Elaine Stone  
Sept. 17, 1999

Updated Feb. 15, 2005 and again Oct. 2006

Note: There are several graves in the cemetery that have markers that could not be read. They are listed in the Original Transcript, but not in this listing.

Directions: Going north on highway 87 from Interstate 10, go to Bear Path on the left just before you get to the Little Cypress High School. Take Bear Path to 1130 and turn right. Go past another school and down on the right will be Little Cypress Drive. Just after you cross over a small bridge there will be a sign on the right which says Parish Cemetery Road. This road ends at the Parish Cemetery gate.
