Hi Joe,

Here are some pictures I have scanned into my computer you may be interested in

The first "Alice Nezat" is a photo of Hazel, Lawrence, Olympe, and Ethel. I think?

The 2nd, 3rd, 4th(taken at port barre), 5th and 6th are self explanatory
7th Martin Can you help me identify who this is?

8th One of Aunt Denise's sons but name is incorrect?

10th Palmer Robin? My father is standing in background

11th Mom said this was Theolia on left but she would have been dead when this picture was taken

12th This is Simon and Bertha with their 8 daughters 1-r front Evelyn, Helen, Lee 2nd row Margie, Elsie, Agnes, back row Ethel, Simon, Bertha, Dorothy probaly taken around 1934

I hope these files aren't to large

Thanks, Phil
