Joe,

I noticed the parents you have attached to Caroline Fontenot. There were actually two Caroline Fontenots born in 1842. The other was the daughter of Leufroy Fontenot and Marie Gertrude Azile Daigle and was born Oct 10, 1824. This is the Caroline that we find to agree best with family information about her being a direct descendent of Etienne Daigle. For a long time we had made the same connection that you list, having searched SWLR for information. We are connected through Marie Euphrosine Barousse and just found a picture of her on-line to go with our picture of William Honore McBride.
